USA Bracketing: Updating Registration

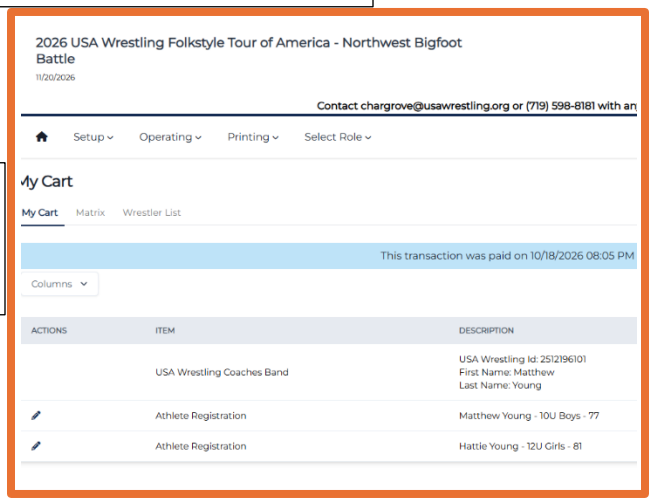

**Steps to change your weight class & team name if the tournament registration is open

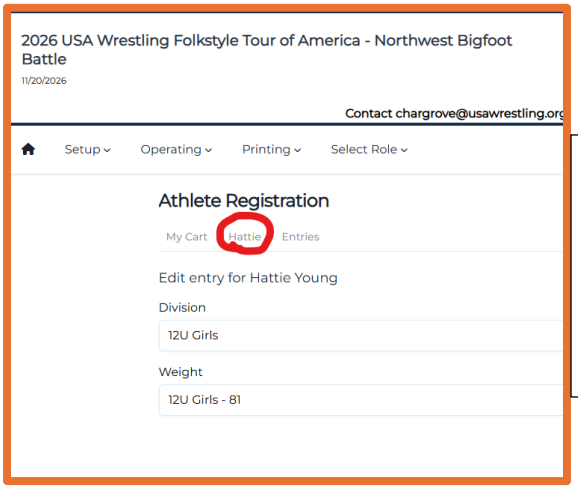

Log into your USABracketing account. www.usabracketing.com

Select the registration you are trying to adjust in your **My Registrations** box

Tip: If the athlete has multiple team affiliations on their profile, select the team you want as Primary.

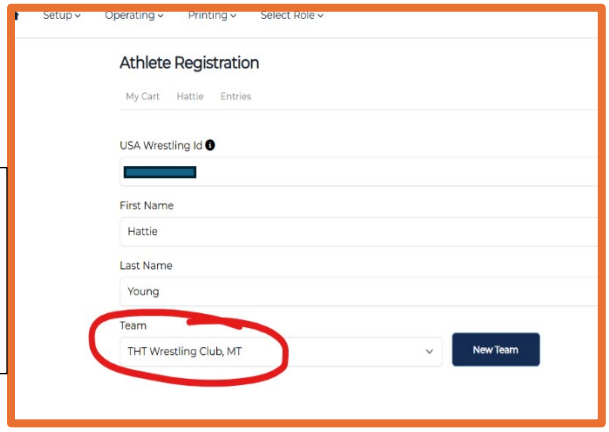

Click on the pencil next to the Athlete Registration you are trying to edit

*Here you can update your athlete's division weight class.

*Click on the athlete's name under "Athlete Registration" if you want to edit the team

Click on the arrow next to the club's name to select a different team.
If your team is not listed, click New Team to add a new team.
